Barbera d'Alba DOC

The Bongiovanni farmstead dates back to the early 1950s, when it was purchased by Giovanni Bongiovanni. Giovanni planted a Nebbiolo vineyard where there had been nothing but untamed woodland. He struck gold, yet never bottled his own wine. When he died, the estate was left to his daughter Olga who grew to cover prime hillside vineyards of the Langhe for her own wines. Here, the family only planted native grape varieties and one noble international grape, Cabernet Sauvignon. A good number of innovations have come about thanks to Olga's nephew, winemaker Davide Mozzone. The Bongiovanni philosophy aims to minimize outside intervention and maximize character and terroir, steering clear of stereotypical wines. While not certified organic, the winery proudly participates in Piedmont's Green Experience, which is a network of sustainable and organic growers. Barbera is the variety that most resembles the personality of the Piedmont people: Bright, strong and determined. Bongiovanni's Barbera is certainly true to form. Its burst of cherry and chocolate aromas provide the wine with excellent balance.
