

## Barolo "Bussia" DOCG

Matteo Sardagna defines this wine as a "blockbuster" Barolo. The vineyard is located in Monforte d'Alba with south and southwestern exposure and calcareous marl soil. The unique mineral component of the Bussia terroir inspires lovely structure, intense color, enveloping tannins and a long, consistent finish. Ripe red berries sync with spicy and eucalyptus notes. Suitable to long aging, especially in the best vintages.

Wine exported to: Bermuda, Canada
