

EMPSON & CO.
Experience Italy in a Wine glass

Colli di Limbara Lu Nieddu IGT

This unique wine is a field blend made from five to six varieties including native Sardinian grapes, such as Cannonau, Caricaggiola, Pascale di Cagliari as well as others used in Gallura like Dolcetto, Barbera and Cabernet Franc. A field blend is when more than one grape variety is planted in a single vineyard and this particular vineyard is eighty years old. This limited-production wine spends twelve months in new French barrique and several months in bottle before release.

Wine exported to: Japan, Canada, USA, Australia
